

# Staveley CE Primary School – Year 4/5

Home learning for 27.4.20

Maths	Writing	Reading	Science	Other ideas
<p>White Rose Hub – using the weekly lessons (one a day is not essential but they are manageable) I would start from whichever week you need as I know people are at different places and there is no need to start with summer term if you haven't finished the previous weeks.</p> <p>If these are not manageable or your child is working at a different level –</p> <p>CGP books (possibly try a different year group)</p> <p>Espresso</p> <p>Times Tables practise</p> <p>4 operations practise using written and mental methods</p>	<p>CGP grammar, punctuation and spelling books - these include all the objectives for the specific year group</p> <p><a href="https://www.hamilton-trust.org.uk/blog/learning-home-packs/">https://www.hamilton-trust.org.uk/blog/learning-home-packs/</a></p> <p>Select English – Year 4 – Week 3 Select English – Year 5 – Week 3</p> <p>Writing is also involved in the other ideas section so if you haven't finished the 1<sup>st</sup> week then don't worry about moving on.</p> <p>For a writing challenge: <a href="https://www.pobble365.com/crazy-caving">https://www.pobble365.com/crazy-caving</a></p>	<p><a href="https://www.hamilton-trust.org.uk/blog/learning-home-packs/">https://www.hamilton-trust.org.uk/blog/learning-home-packs/</a></p> <p>Select the same as writing</p> <p>Reading magazines, a favourite book or instructions – everything counts!</p>	<p><b>What have we found out about growing plants so far?</b></p> <p>A fun one this week! Your parents may have heard about a man called David Bellamy. He LOVED plants and wildlife!</p> <p>You might find clips of him online?</p> <p>I would like you to use a tablet/phone or maybe even an old fashioned digital camera. Can you be a nature TV presenter? Can you make a TV programme all about growing plants?</p> <p>Once you've finished, we'd love to see them on Facebook or even better, Padlet so our class can watch and maybe even be inspired to make their own!</p>	<p><b>Geography:</b> <b>What are the major rivers of the world?</b> Children find the source, mouth, course, length, discharge and some tributaries of each river named on the activity sheet below or you could make an information sheet about rivers of the world.</p> <p><b>Art/Science:</b> David Bellamy also loved watercolour painting. Can you paint a landscape using watercolours this week?</p> <p><b>Computing:</b> Did you take a photo last week? If you did, try downloading it and using ipiccy to edit it! Email me your results, post them on Facebook and padlet – we LOVE to see them!</p>

## Rivers of the World

River	Source – Country/State/Area	Mouth	Countries on its course	Length (km)	Dishcharge (m <sup>3</sup> /s)	Tributaries
Amazon						
Congo						
Ganges						
Indus						
Loire						
Mississippi						
Murray						
Nile						
Ob						
Yangtze
