

Staveley CE Primary School – Year (Reception)

Home learning for 27/004/2020 Mini beasts – Spider (Text: The very busy spider)

Maths	Writing	Reading	Science/Other ideas
<p><u>Shape & Space focus</u> This week we are focusing on patterns that are more complex. See page below for activity ideas – Exploring patterns more complex patterns.</p> <p><u>Number focus</u> Counting to 20 <u>Please follow the lessons attached and the White Rose link below.</u> <u>Attached</u></p> <ul style="list-style-type: none"> Maths Week 3 Idea 1 From Hamilton trust Maths Week 3 Idea 3 from Hamilton Trust <p><u>White Rose</u> https://whiterosemaths.com/homelearning/early-years/</p> <ul style="list-style-type: none"> – Summer week 2 Lesson 1 I thought children could make a telescope to spot minibeats. <p><u>Extra website with some good/fun activities</u> https://www.topmarks.co.uk/learning-to-count/place-value-basketball https://www.topmarks.co.uk/maths-games/daily10 https://www.starfall.com/h/geometry/puzzles-easy/? https://www.twinkl.co.uk/resource/t-n-979-minibeast-themed-addition-powerpoint</p>	<ul style="list-style-type: none"> Listen to the animated version of The very busy spider. https://www.youtube.com/watch?v=TfLOg-XRxnA Can you name all the parts of a spider? Draw and label your own spider. https://www.twinkl.co.uk/resource/t-t-982-parts-of-an-insect-labelling-worksheets Research some interesting facts about spiders and write one or two in a sentence in your home learning book. Don't forget finger spaces and full stops. ☺ Choose one of the fun activities you have done this week and draw/write about it in your home learning book. Practise your letter/numerals Don't forget to use the correct pencil grip. https://www.twinkl.co.uk/resource/t-l-4617-letter-formation-alphabet-handwriting-sheet-uppercase-and-lowercase https://www.twinkl.co.uk/resource/t-n-4411-number-formation-worksheet-0-to-9 	<ul style="list-style-type: none"> Re- read the power point stories from the previous weeks. Play some of the fun activities from the physically active phonics games sheet attached. Recap all sounds taught so far. Visit the espresso site. Look for Scraps phonics and click on the relevant sounds and tricky words. Think of your favourite book and share with someone why it is special and how you will look after it. Share the story of 'Spinderella' on YouTube. Learn a minibeast rhyme and then video your recital and post it on our class Padlet page. https://www.twinkl.co.uk/resource/t-t-5116-minibeast-nursery-rhyme-booklet-pack Big Cat Collins now have some free ebooks available. Go to: https://collins.co.uk/pages/big-cat-ebooks and follow the login instructions Try listening to a bedtime story from CBeebies <p><u>Extra website with some good/fun activities</u> https://www.phonicsbloom.com/uk/game/lis/t/phonics-games-phase-2</p>	<ul style="list-style-type: none"> Have a go at painting, printing, drawing, making or creating your favourite minibeast. Use the ideas in these packs to inspire you. <ul style="list-style-type: none"> https://www.twinkl.co.uk/resource/t-t-19191-minibeasts-craft-activity-pack https://www.twinkl.co.uk/resource/t-t-17943-minibeast-pebbles-craft-instructions https://www.twinkl.co.uk/resource/t-t-2544269-eyfs-magic-painting-science-experiment-and-prompt-card-pack If you have an iPad, download the free beebot app & play. Now you have practised your ball, balancing, running and dribbling skills, how many lengths of your garden/living room can you do in a minute. <p>Muddy Monday/any day challenge</p> <ul style="list-style-type: none"> Building on previous weeks work, can you create a bughouse for your minibeasts? Use the information below to help you. Don't forget to take lots of pictures of your work. Alternatively, draw and label it. <p>https://www.twinkl.co.uk/resource/t-t-27093-make-your-own-minibeast-hotel-outdoor-activity</p>

		https://www.phonicsbloom.com/uk/game/list/phonics-games-phase-3 https://www.oxfordowl.co.uk	Extra challenge Play a memory game – what is under the blanket? Take an object away, can you remember what is left? You could link items used to sounds/shapes/numbers/minibeasts etc...

Some interesting spider facts and information sites

<https://www.twinkl.co.uk/resource/t-t-5105-spiders-facts-powerpoint>

<https://www.bbc.co.uk/iplayer/episode/p071b2hk/andys-animal-raps-series-1-9-spidery-bounce>

Spider Facts:

1. Spiders are arachnids not insects
2. Spiders have 8 legs, insects have 6
3. Spiders are found everywhere except Antarctica
4. Most spiders make silk to make webs to catch prey
5. The largest species of spider is a tarantula Goliath Bird Eater.
6. Huntsman spider can have a 30-cm leg span

More complex patterns

Snack

Provide a selection of fruit in small pieces such as grapes, banana slices, apple chunks etc. Allow the children to design their own fruit kebab patterns. Encourage them to compare their kebabs with their friends as they enjoy their tasty treat.

Enhancements to areas of learning

Outdoors

Go on a walk around the school grounds and ask the children to hunt for natural objects to make their patterns such as long sticks, short sticks, dandelions, daisies, leaves, pebbles etc. They could arrange their patterns in straight lines or around the edge of a hoop to create a circular pattern.

Loose parts

Provide the children with a range of loose parts such as buttons, beads, pebbles, shells, or seeds. They can use these to create a variety of different patterns. You can add variety by providing wavy lines, spirals and zig-zags for them to build their patterns along.

Musical Instruments

Provide a range of different instruments such as drums, beaters, shakers and encourage the children to play patterns using the instruments. This could be made into a game with one child playing a pattern whilst the rest face the other way. The listeners then try and work out which instruments were used and replicate the pattern.
