Maths	English	Other ideas
<p>This week The White Rose Home Learning website will not have worksheets available unless you have the subscription. Luckily for you, I have a Year 2 subscription so we can keep going with our maths. If you visit the White Rose website using the link below, we are on Week 4 (11th May) – https://whiterosemaths.com/homelearning/year-2/</p> <p>I have attached the 4 worksheets to my email. If you visit the White Rose website, you will also find a link to BBC Bitesize which is now linking with White Rose. You will find informative videos, games and printable activities to complement this week’s maths learning.</p> <p>This week we should have been doing our very special booklets (!). It is not a test, but would be quite interesting to find out which areas of maths your child is the most and least confident in.</p> <p>Plau Hit the Button – Number Bonds</p>	<p>https://spellingframe.co.uk/spelling-rule/102/25-Contractions Spelling Tiles games.
